DETAILED ACTION

Reasons for Allowance

1. The following is an examiner's statement of reasons for allowance: In response to the Office action mailed September 19, 2005, and further to the amendments filed December 19, 2005, applicant's request in view of the amendments and remarks have been reviewed and respectfully considered.

According to applicant's response independent claims 1, have been amended or/and written to include the subject matter contained that to overcome the prior art used to reject the application. Claims 3 and 8 are canceled. Claims 1, 2, 4-7 and 9 are pending and currently examined. Applicant's arguments/remarks as discussed on page 6 through 9, in particular regarding amended claim 1, argues ad discussed in page 8, paragraph 1 through 4. Applicant's arguments and remarks are persuasive and believed to be distinct from the prior art used to reject the application.

Therefore, claims 1, 2, 4-7 and 9 are allowed for the reason the prior art searched and of record neither anticipates nor suggests the claimed invention as amended.
